8 UNITED STATES DISTRICT COURT  
9 FOR THE EASTERN DISTRICT OF CALIFORNIA

11 KRZYSZTOF F. WOLINSKI,

12 Plaintiff,

13 v.

14 GINA JONES, et al.,

15 Defendants.  
16

No. 2:23-cv-0383 DAD DB P

ORDER

17 Plaintiff, a state prisoner proceeding pro se, has requested a second extension of time to  
18 file objections to the April 20, 2023, findings and recommendations. Plaintiff explains that he  
19 continues to have insufficient access to the law library due to modified programming as the result  
20 of Covid-19 quarantines at the prison. This court finds good cause for a second extension of time.

21 Plaintiff also asks the court to order defendants to permit him to use the library's ADA  
22 computer because it has a Microsoft Word program. Plaintiff fails to explain why his disability  
23 requires use of a word processing program. Plaintiff's filings are typed and legible. If plaintiff  
24 requires additional time due to his disability, this court will permit him that time. However,  
25 plaintiff is warned that he has already had two months to file objections. Any further requests for  
26 extensions of time must make a strong showing of good cause, including a showing that plaintiff  
27 has been diligent in trying to prepare and file objections. Plaintiff fails to show good cause for an  
28 order directing defendants to give him access to the ADA computer.

Good cause appearing, IT IS HEREBY ORDERED that:

1. Plaintiff's motion for an extension of time (ECF No. 14) is granted;

2. Plaintiff's motion for an order requiring defendants to provide him access to the ADA computer (ECF No. 14) is denied; and

3. Plaintiff is granted thirty days from the date of this order in which to file objections to the April 20, 2023, findings and recommendations.
